Let's face it – the average homeowner has more than enough stuff to work with. Here are eight creative projects that you can tackle with everything you have on hand. 1.

Flower Pots for Every Season There's no excuse for a lack of flowering plants in your home. All you need is a few simple supplies and the desire to create something beautiful. Set your vases, pots and plant stands to free up counter space and create the look of a lush garden in a matter of minutes. Make It: Spray paint a trash can or paint a used plastic tub white and use it as the base of your vase. Cover it with a layer of outdoor clay paint. Do a spritz or two with a floral painter and your garden is ready to bloom. 2. Wallpaper Kits If you don't have a lot of space for wallpaper, don't fret. Create a virtual space on a wall with a few simple supplies. The DIY project is a colorful and modern take on a painted ceiling mural. Make It: Create a stencil of your favorite color or design, then mix up two gallons of paint with a gallon of paintable wallpaper paste. Paint the stencil onto a wall and let dry. After that, apply the stencil paint onto the top of the paste. Let dry and you're good to go. You can also try creating a stencil using vinyl wall decals. 3. Coasters Have you ever wished you could add more storage and surface to your kitchen? A DIY coasters set can be a quick and easy way to do just that. These colorful, personalized coasters are perfect for adding a splash of color to the table. Make It: Use a wood shape or a ruler to create a template. Cut out coasters using those shapes or print a color or image from a file on the computer. Mix up a few shades of acrylic paint or stain. 4. Dining Room Table Give your dining room the makeover it needs with the addition of a DIY table. If you
